NH only FY2016 Permits 113015.xlsx

Sterg,

Attached is a table of the NH individual permits that are expired or expire by 12/30/6. The permits in **bold** are the ones we are actively working on, although that is subject to change.

I'm up for scheduling a conference call (or regular conference calls) to share information and plans for these permits for inter-agency NPDES coordination. Typically, there is a story around each permit.
